DISCUSSION QUESTION(S)

1. What would you identify as some of the key aspects/principles of Jesus' approach to discipleship / disciple making?
2. What are some other occasions & situations in which you could get an indication of someone's openness to Spiritual things?
3. What are some practical ways you could "share your life / yourself" with someone you were (or are) discipling? Be sure to think of some that are inviting others into things you are ALREADY doing.
4. Think about a time you learnt a new skill. What was the chain of events from complete incompetency to competency by which you learnt this new skill?
5. What conclusions can we make about how long we should invest in discipling somebody from observing Jesus?
6. What have you found most challenging / encouraging this session?
7. What changes do you hope to make a result? Ask the group to pray for this.
