DISCUSSION QUESTION(S)

1. Most evangelists/missiologists say that in our modern western culture, people take a lot longer to come to faith in Jesus. What do you think are some factors that would have led to this change?
2. What would you do if you felt that God was leading you to engage a community of people whose actions and values were controversial or contrary to the Christian faith? Eg. Bars, Gambling or Sex Workers.
3. Do you think association with a particular group of people equates to approval of their actions? What are the reasons for your answer?
4. If you did engage a controversial culture/community, what are some wise guidelines to follow so that your witness is not compromised?
5. If you're reluctant to engage people in disciple making, note down your reasons and raise it in your groups prayer time at the end of the session so they (and your prayer partner) can pray for you.
6. Give examples of things you could do that would help build and strengthen relationships with others?
7. Have you ever offered to pray with someone else who didn't know Jesus? How did they respond to the offer?
8. What have you found most challenging / encouraging this session?
9. What changes do you hope to make a result? Ask the group to pray.
